

NEW JUDGE NAMED TO TRY CALIFORNIA WHITE SLAVE CASE

Wilson to Nominate Hayden in
McNab's Place—Matt I. Sullivan
Special Prosecutor.

WASHINGTON, June 27.—Thomas E. Hayden and Judge M. T. Dooling have been selected by President Wilson for United States District Attorney and United States Circuit Court Judge, respectively, for the Northern District of California.

Their nominations probably will be sent to the Senate next week.

Matt I. Sullivan will be special prosecutor for the Caminetti-Diggs and Westcott Company cases. Judge Dooling, who is now on the Superior Court bench, will fill an existing vacancy and the cases will be tried before him.

Attorney-General McReynolds had a brief conference with President Wilson before the Cabinet meeting to-day concerning these appointments.

Hayden was formerly President of the San Francisco Board of Education. Sullivan assisted Francis J. Heney in prosecuting the graft cases.

Another vain attempt to get a quorum of the House Judiciary Committee to-day prevented action on Representative Kahn's resolution calling upon the Attorney-General for the papers in the celebrated cases. The committee will meet again to-morrow.

FOLLANSBEE'S AUTO IN BUMP

Foxhall Keene and Arthur Brisbane, His Guests, Are Shaken Up.

John G. Follansbee, capitalist and nephew of the late James R. Keene, who lives in the Waldorf-Astoria, was rounding from Forty-second street into Broadway early to-day, with Foxhall Keene and Arthur Brisbane as passengers in his touring car when the machine collided with an auto mail truck.

Both machines were damaged somewhat, but no one was hurt. A crowd collected and Policeman Flannery had to push the people back so Mr. Follansbee and his friends could re-enter their car after looking it over and continue their journey.

"HIGHER LAW" FOR WOMAN.

Tennessee Jury Acquits Mrs. Schleber of Murdering Rich Husband.
MEMPHIS, Tenn., June 27.—Not guilty was the verdict to-day of the jury that has been trying Mrs. Margaret L. Schleber, accused of second degree murder in connection with the death of her husband, Augustus Schleber. He was shot dead in the apartments of Mrs. Lillian Howell, an acquaintance, last February. It was not denied that Mrs. Schleber fired the bullets that killed her husband, but the defense contended that they were not intended for him. Lawyers for Mrs. Schleber pleaded emotional insanity for her, urging that attentions alleged to have been bestowed by Schleber on Mrs. Howell drove Mrs. Schleber to desperation.

A HAPPY CHILD IN A FEW HOURS.

When Cross, Sick, Feverish,
Tongue Coated or Bilious Give Delicious
"Syrup of Figs."

Mother! look at the tongue! see if it is coated. If your child is listless, drooping, isn't sleeping well, is restless, doesn't eat heartily or is cross, irritable, out of sorts with everybody, stomach sour, feverish, breath bad; has stomachache, diarrhoea, sore throat, or is full of cold, it means the little one's stomach, liver and 30 feet of bowels are filled with poisons and clogged up waste and need a gentle, thorough cleansing at once. Give a teaspoonful of Syrup of Figs, and in a few hours the foul, decaying, constipated matter, undigested food and sour bile will gently move on and out of its little bowels without nausea, griping or weakness, and you will surely have a well and smiling child shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed—a little given to-day will save a sick child to-morrow.

Full directions for children of all ages and for grown-ups plainly printed on the package. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.
